

Annual Meeting

April 9, 2019

Revenue

Core, Non-Core, 2001-2018

Doing Fewer Things, Well

- Delivering on greater customer value – e.g., TAP Air Portugal
- More opportunities globally – using domestic and international cities as hubs, e.g., Toronto Pearson Airport with Regional Diversion Manager
- International momentum – e.g., Aeromexico, Air France, Toronto Pearson Airport, TAP Air Portugal
- The PASSUR Platform is expanding – e.g., FLL
- Execution is Key - sell, focus on value, deliver on time and with excellence

Strategic Objectives

1. Increase customer cash flow and operational performance through combination of consulting and software platform
2. Organize global airlines, airports, and Air Navigation Service Providers (ANSPs) onto the PASSUR Platform
3. Organize the world's flight and operations information needed to continue to enhance the PASSUR operational Platform
4. Develop strategic relationships with major companies to broaden the reach of PASSUR products worldwide
